HOMEWORK@ L&WHUB

Homework@L&WHUB is available to our students in order to:

- Provide access to computers for word processing, powerpoint presentations, internet research, some printing of completed work (no colour) etc.
- Provide access to books, magazines and other printed resources.
- Gain assistance from teachers on the completion of homework and assignments, developing study skills, research techniques etc.
- Provide a quiet environment for school or recreational reading (bring their own book/novel).

In order to attend Homework@L&WHUB, students are required to complete the attached permission note indicating their attendance. The permission note is to be returned to either Mr Nicholls or Ms Taylor as soon as possible as there will be a limited number of places available and a waiting list may be drawn up if necessary.

During attendance the following rules will apply:

1. Students will not be dismissed until the session ends.
2. Normal rules of the HUB will apply and the teacher's instructions will be followed at all times.
3. Students must be well-behaved. N.B: disruptive or non-serious students will not be permitted to return.
4. Students who wish to use this opportunity must attend all regular classes during the day to be able to come to the centre in these "after-regular" school hours.

It is expected that parents will **make alternative arrangements** for their child to get home from school at 4.15pm after the homework session's conclusion. Should circumstances arise that prevent the homework centre running any afternoon, your child will be notified in advance where possible. Please complete the permission note to indicate the date/s you wish your child to attend.
